### CANADIAN STUDENT LEADERSHIP CONFERENCE TRADE SHOW SEPTEMBER 27, 2011!

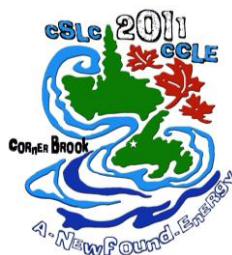

We are pleased to invite you to take part in the **New Found Trade Show** for the 2011 Canadian Student Leadership Conference, hosted by Corner Brook Regional High. We will be hosting an extensive Trade Show which will allow you to share your product or organization's mandate with a motivated students and teacher - advisor market!

The mission of the CSLC is to foster leadership skills in our students today, allowing them to become effective leaders tomorrow in a growing and diverse society. The student delegates attending this conference are the leaders in their respective high schools and represent the best of Canada's enthusiastic, committed and talented youth.

The conference features special opening and closing ceremonies, **seven** major keynote presentations led by prominent leaders in education, business and youth & social development, a series of workshops and break-out sessions, the Trade Show and a major cultural activity/event! A number of evening social functions are organized for the adult leaders. Student social events include a formal banquet and dances.

Corner Brook Regional High is thrilled to be hosting the 2011 conference in Corner Brook Newfoundland and Labrador. Corner Brook is a picturesque town nestled at the mouth of the Humber River in the beautiful Bay of Islands. Mountains, hiking trails, and skiing make this an outdoor adventurer's paradise.

Should you be interested in becoming an official sponsor, please contact us for more information! Should you be interested in simply exhibiting your products and services at the Trade Show, our prices can be found on the following page!
